For developing your business

CRYPTOCURRENCY PROCESSING

The screenshot shows the 'Transfers' page in the B2Bin PAY interface. It features a navigation bar with 'Wallets', 'Transfers', 'Deposits', 'Payouts', 'Events', 'Rates', and 'Exchanges'. The 'Transfers' section is active, displaying a table of transactions with columns for ID, Created, Type, Status, Wallet, TXID, Currency, and Amount. The table lists several transactions, including deposit contract creation, wallet activation, and direct deposits to wallet addresses, with statuses ranging from 'Pending' to 'Confirmed'.

The screenshot shows the 'Exchange #19' page in the B2Bin PAY interface. It displays a 'Success' message and details for a new exchange. The page includes fields for 'Wallet (from)', 'Amount (from)', 'Included fee', and 'Amount (to)'. It also shows the 'Applicant' information and a 'Created' timestamp. Below this, there is a 'Transactions' table with columns for ID, Created at, TXID, Status, and Confirmations. The table lists two confirmed transactions with their respective TXIDs and confirmation counts.

The screenshot shows the 'Live account 300133683' page in the B2Bin PAY interface. It displays the account balance in EUR (34.90) and various financial metrics such as Free Margin, Free Funds, Equity, Credit, Leverage, and Order Type. The page also includes a line chart showing account performance over time, with a navigation bar for 'Details', 'History', 'Transfer', and 'Settings'.

The screenshot shows the 'Help Desk' page in the B2Bin PAY interface. It features a search bar and a list of tickets. The tickets are categorized by status, such as 'In Progress', 'Closed', and 'Awaiting Reply'. Each ticket entry includes an ID, a subject header, and a brief description of the issue.

Thank you!
